Service Notes:

Technical Sergeant Thomas F. Terhart enlisted in the Army in March 1940

Sergeant Terhart went onto the shores of France, landing in Normandy and fought in Central Europe earning 2 Battle Stars for action in combat / During the battle of Saint- Lô, in north-western France, Sergeant Terhart was captured by the Germans (POW) / Sergeant Terhart was reportedly well-treated in the German prison camp, but food was scarce / He was liberated by the Russian Army and then set adrift to make his way to Odessa in the Ukraine / In Odessa, he was placed in a Russian stockade for two weeks, released and shipped back to the American lines in Italy, and finally sent back to the United States.

When the Japanese surrendered, Sergeant Terhart had been picked for service in the south-west Pacific region.

Base Assignments:

Miscellaneous:

Thomas F. Terhart also received the New York State Conspicuous Service Cross

The 28th Infantry Division was activated on 17 February 1941 at Camp Livingston, Louisiana / The division landed in Normandy on 22 July 1944 and took part in the Normandy, Northern France, Rhineland, Ardennes-Alsace, and Central European campaigns / In little more than a month after hitting the Normandy Beachhead, the 28th Infantry hit Paris and were given the honor of marching down the Champs-Élysée on 29 August 1944 in the

West Seneca Answers the Call to Arms

Residents in World War II

Town of West Seneca, New York

hastily arranged Liberation of Paris / The division saw 196 days of combat during World War II

Infantry refers to soldiers moving and fighting on foot, armed with hand weapons such as rifles, machine guns, grenades, mortars, etc.

The European-African-Middle Eastern Campaign Medal (EAME) was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

The Bronze Star Medal is the fourth-highest individual military award and the ninth-highest by order of precedence in the US Military / It may be awarded for acts of heroism, acts of merit, or meritorious service in a combat zone

The Purple Heart was instituted in 1782 by George Washington and is the first and oldest military American decoration / The Purple Heart is awarded to military service members wounded or killed in action, in the latter case posthumously

Battle (Combat) Stars were presented to military personnel who were engaged in specific battles in combat under circumstances involving grave danger of death or serious bodily injury from enemy action

The American Campaign Medal/Ribbon (also known as the (ATO) American Theater of Operations Ribbon) was a military award of the United States Armed Forces which was first created on November 6, 1942 by President Franklin D. Roosevelt / The ribbon was intended to recognize those military service members who had performed military duty in the American Theater of Operations during World War II / The requirements for the American Campaign Ribbon were for service within the American Theater between 7 December 1941 and 2 March 1946 / The American Campaign Medal was issued as a service ribbon only for the entirety of the Second World War, and was only made a full-sized medal in 1947

The American Defense Service Medal (also referred to as the Pre-Pearl Harbor Ribbon) was a military award of the United States Armed Forces intended to recognize those military service members who had performed military duty between 8 September 1939 and 7 December 1941

The World War II Victory Medal was first issued as a service ribbon referred to as the "Victory Ribbon" / By 1946, a full medal had been established which was referred to as the World War II Victory Medal / The medal commemorates military service during World War II and is awarded to any member of the United States military, including members of the armed forces of the Government of the Philippine Islands, who served on active duty, or as a reservist, between 7 December 1941 and 31 December 1946

The Conspicuous Service Cross is a decoration for military service awarded by the State of New York to current or former full-time military person serving in the Armed Forces of the United States for purposes other than training since 1917 / The individual must have earned a previous military medal for heroic achievement, heroic service, meritorious achievement, or meritorious service in a combat zone / The Conspicuous Service Cross is

West Seneca Answers the Call to Arms Residents in World War II

Town of West Seneca, New York

also awarded to those members of the New York Organized Militia who were prisoners of war, served at Pearl Harbor on December 7, 1941, directly participated in the Invasion of Normandy on June 6, 1944, or have been declared by the Department of Defense as killed or missing in action / It may also be awarded for conspicuous service to the State of New York

A Marksmanship Badge is a military badge of the United States Armed Forces presented to personnel upon successful completion of a weapons qualification course or high placement in an official marksmanship competition / The U.S. Military's Marksmanship Qualification Badges are awarded in three grades (highest to lowest): Expert, Sharpshooter, and Marksman

The Good Conduct Medal is one of the oldest military awards of the United States Armed Forces / The Navy Good Conduct Medal was established in 1869, the Marine Corps version in 1896, the Coast Guard version in 1923, the Army version in 1941, and the Air Force version in 1963 / The medal is awarded to any active-duty enlisted member of the United States military who completes three consecutive years of "honorable and faithful service" / Such service implies that a standard enlistment was completed without any non-judicial punishment, disciplinary infractions, or court martial offenses

ATLANTIC THEATER / PACIFIC THEATER

Service Notes:

Seaman First-Class William A. Then served in both the European Theater and the Pacific Theater

Base Assignments:

Miscellaneous:

Seamen served as members of damage control or emergency and security alert teams / They participated in Navy ceremonies and took part in underway replenishment (transferring supplies from ship to ship at sea), and they worked with qualified personnel to gain job training and experience / A Seaman was knowledgeable in naval drill duties, knots, steering and signaling / Also stood watch and handled gunnery duties

The USS Wisconsin (BB-64), (also called "Wisky") was an Iowa-class battleship / The Wisconsin served in the Pacific Theater of World War II, where she shelled Japanese fortifications and screened United States aircraft carriers as they conducted air raids against enemy positions / The Wisconsin took part in action against Formosa, Luzon, and the Nansei Shoto to neutralize Japanese forces / In 1945, she provided firepower for the invasion of Iwo Jima and Okinawa / In July 1945, the Wisconsin bombarded the oil refineries in Muroran, Japan and later shelled the Japanese naval base at Yokosuka, Japan / The USS Wisconsin was part of the occupying force after the surrender of Japan / The Wisconsin earned 6 battle stars / Commissioned on 16 April 1944 and decommissioned 30 September 1991

The USS Wyoming (BB-32) was a battleship and named in honor of the 44th state / During World War II, Wyoming remained in the Chesapeake Bay area and performed duties as a gunnery training ship with the

West Seneca Answers the Call to Arms

Residents in World War II

Town of West Seneca, New York

Operational Training Command, United States Atlantic Fleet / Over the course of the war, Wyoming trained an estimated 35,000 gunners on seven different types of guns: 5-inch, 3-inch, 1.1-inch, 40-milimeter, and 20-milimeter weapons / Due to her extensive use as a gunnery training ship, she claimed the distinction of firing more ammunition than any other ship in the fleet during the war / Commissioned on 25 September 1912 and decommissioned on 1 August 1947

The European-African-Middle Eastern Campaign Medal (EAME) was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

The Asiatic-Pacific Campaign Ribbon (Medal) was a military awarded to any member of the United States Military who served in the Pacific Theater from 1941 to 1945

The World War II Victory Medal was first issued as a service ribbon referred to as the "Victory Ribbon" / By 1946, a full medal had been established which was referred to as the World War II Victory Medal / The medal commemorates military service during World War II and is awarded to any member of the United States military, including members of the armed forces of the Government of the Philippine Islands, who served on active duty, or as a reservist, between 7 December 1941 and 31 December 1946

The American Campaign Medal/Ribbon (also known as the (ATO) American Theater of Operations Ribbon) was a military award of the United States Armed Forces which was first created on November 6, 1942 by President Franklin D. Roosevelt / The ribbon was intended to recognize those military service members who had performed military duty in the American Theater of Operations during World War II / The requirements for the American Campaign Ribbon were for service within the American Theater between 7 December 1941 and 2 March 1946 / The American Campaign Medal was issued as a service ribbon only for the entirety of the Second World War, and was only made a full-sized medal in 1947

The Philippine Liberation Medal was a military award of the Republic of the Philippines presented to any service member, of both Philippine Commonwealth and allied militaries, who participated in the liberation of the Philippine Islands between the dates of 17 October 1944 and 2 September 1945 / The Philippine Liberation Medal is intended to recognize military service in the last days of World War II when the military of Japan was driven from the Philippines and then to eventually surrender in September 1945 / To be awarded the medal, a service member must have served in the Philippines for at least thirty days during the eligible time period

The Navy Occupation Service Medal is a military award of the United States Navy which was "Awarded to commemorate the services of Navy, Marine Corps and Coast Guard personnel in the occupation of certain territories of the enemies of the U.S. during World War II" and recognized those personnel who participated in the European and Asian occupation forces during, and following World War II / The medal is authorized two service clasps: "Europe" and "Asia"

A unit citation is a formal, honorary mention by high authority of a military unit's specific and outstanding performance, notably in battle / Similar mentions can also be made for individual soldiers / Alternatively or

West Seneca Answers the Call to Arms Residents in World War II
