The National Defense Service Medal (NDSM) is a service award of the United States Armed Forces established by President Dwight D. Eisenhower in 1953 / The National Defense Service Medal (NDSM) was first intended to be a "blanket campaign medal" awarded to service members who served honorably during a designated time period of which a "national emergency" had been declared during a time of war or conflict / It may also be issued to active military members for any other period that the Secretary of Defense designates / Currently, the National Defense Service Medal is the oldest service medal (as opposed to decorations for particular achievements such as valor or meritorious service and Good Conduct Medals) currently awarded by all branches of the United States Armed Forces
