Service Notes:

Sergeant Robert D. Maclean was attached to an aerial unit of the 8th Air Force near Norwich, England / Sgt Maclean earned 6 Battle Stars for combat action in Europe

Base Assignments:

Miscellaneous:

During World War II, the 448th Bombardment Group was an Eighth Air Force B-24 Liberator unit in England / The group entered combat on 22 December 1943, and until April 1945 served primarily as a strategic bombardment organization, hitting such targets as aircraft factories in Gotha, ball-bearing plants in Berlin, an airfield at Hanau, U-boat facilities at Kiel, a chemical plant at Ludwigshafen, synthetic oil refineries at Politz, aircraft engine plants at Rostock, marshalling yards at Cologne, and a Buzz-bomb assembly plant at Fallersleben / The group took part in the intensive campaign of heavy bombers against the German aircraft industry 20–25 February 1944 / The 448th Bombardment Group flew its last combat mission on 25 April 1945, attacking a marshalling yard at Salzburg, Austria

A bombardment group or bomb group was a group of bomber aircraft the United States Army Air Forces (USAAF) during World War II. It was the equivalent of an infantry regiment in the Army Ground Forces / A bombardment group was the key tactical control and administrative organization for bombers in all theaters of operation / U.S. bomb groups were numbered and classified into four types: Very Heavy (VH), Heavy (H), Medium (M), and Light (L) / Groups which combined bombers of differing categories into a single administrative organization were designated "Composite" groups

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was

West Seneca Answers the Call to Arms Residents in World War II

Sergeant Hoarace A. Male earned 1 Battle Star for combat action in the battle for New Guinea in the Pacific Theater

Base Assignments:

Miscellaneous:

The New Guinea (Netherlands East Indies) campaign was a World War II military campaign carried out by Australian and American forces against the Japanese Imperial Army on the island of New Guinea between 1942 and 1945 / In the initial phase in 1942, the Empire of Japan invaded the Australian-administered territories of the New Guinea Mandate (23 January) and Papua (8 March) and overran western New Guinea (beginning 29/30 March), which was a part of the Netherlands East Indies / In the second phase, the Allies cleared the Japanese first from Papua, then the Mandate and finally from the Dutch colony

The New Guinea campaign of the Pacific War lasted from January 1942 until the end of the war in August 1945 / The campaign between Allied and Japanese forces began with the Japanese assault on Rabaul on 23 January 1942 / Fighting in some parts of New Guinea continued until the war ended in August 1945

The Asiatic-Pacific Campaign Ribbon (Medal) was a military awarded to any member of the United States Military who served in the Pacific Theater from 1941 to 1945

Battle (Combat) Stars were presented to military personnel who were engaged in specific battles in combat under circumstances involving grave danger of death or serious bodily injury from enemy action

West Seneca Answers the Call to Arms Residents in World War II

Town of West Seneca, New York

The World War II Victory Medal was first issued as a service ribbon referred to as the "Victory Ribbon" / By 1946, a full medal had been established which was referred to as the World War II Victory Medal / The medal commemorates military service during World War II and is awarded to any member of the United States military, including members of the armed forces of the Government of the Philippine Islands, who served on active duty, or as a reservist, between 7 December 1941 and 31 December 1946

A Marksmanship Badge is a military badge of the United States Armed Forces presented to personnel upon successful completion of a weapons qualification course or high placement in an official marksmanship competition / The U.S. Military's Marksmanship Qualification Badges are awarded in three grades (highest to lowest): Expert, Sharpshooter, and Marksman

The Good Conduct Medal is one of the oldest military awards of the United States Armed Forces / The Navy Good Conduct Medal was established in 1869, the Marine Corps version in 1896, the Coast Guard version in 1923, the Army version in 1941, and the Air Force version in 1963 / The medal is awarded to any active-duty enlisted member of the United States military who completes three consecutive years of "honorable and faithful service" / Such service implies that a standard enlistment was completed without any non-judicial punishment, disciplinary infractions, or court martial offenses

Service Notes:

Staff Sergeant Richard O. Mason trained as a pilot at Maxwell Field, Alabama and a gunner in Denver, Colorado / Mason received his pilot wings at Alamogordo, New Mexico / Sergeant Mason was stationed in England with the 8th Air Force (1077th Airborne) as a belly turret gunner / Sergeant Mason participated in air raids over Northern France, Normandy and the German Rhineland

Base Assignments:

Maxwell Field, Alabama - Located 2 miles west of Montgomery, Maxwell Field was opened in 1918 and was named in honor of Lieutenant William C. Maxwell, an Alabamian killed in an aircraft accident in the Philippines / During World War II, Maxwell was the home of Headquarters Southeast Air Corps Training Center (SEATC), which was responsible for all U.S. Army Air Forces (AAF) operational training in the eastern United States

Alamogordo Army Air Field (Alamogordo, New Mexico) - The field's mission was to train pilots for Boeing B-17 Flying Fortresses, then Consolidated B-24 Liberators

Miscellaneous:

The 839th Bombardment Squadron deployed to European Theater of Operations (ETO) and assigned to the 8th Bomber Command in England in April 1944 / The 839th Squadron engaged in long-range strategic bombardment of enemy targets in Occupied Europe and Nazi Germany, attacking transportation, industrial, oil industry and other targets / The squadron engaged in tactical bombardment of enemy forces in France in support of the Operation Overlord landings in Normandy, and the subsequent breakout at St-Lo, France in July 1944 / Changed aircraft from B-24 Liberators to B-17 Flying Fortresses in July 1944 and continued to attack enemy formations

West Seneca Answers the Call to Arms

Residents in World War II

Town of West Seneca, New York

and armor during the Battle of the Bulge, January 1945 / The 839th Bombardment Squadron continued bombardment of strategic targets until the surrender of Germany in May 1945

A bombardment group or bomb group was a group of bomber aircraft the United States Army Air Forces (USAAF) during World War II / It was the equivalent of an infantry regiment in the Army Ground Forces / A bombardment group was the key tactical control and administrative organization for bombers in all theaters of operation / U.S. bomb groups were numbered and classified into four types: Very Heavy (VH), Heavy (H), Medium (M), and Light (L) / Groups which combined bombers of differing categories into a single administrative organization were designated "Composite" groups

The Boeing B-17 Flying Fortress was a four-engine heavy bomber aircraft primarily used in the daylight precision strategic bombing campaign of World War II against German industrial and military targets / During World War II, the B-17s dropped 640,036 tons of bombs on European targets

Often compared with the better-known Boeing B-17 Flying Fortress, the B-24 Liberator was a more modern design with a higher top speed, greater range, and a heavier bomb load; it was also more difficult to fly, with heavy control forces and poor formation-flying characteristics / The B-24 ended World War II as the most produced heavy bomber in history. At over 18,400 units, half by Ford Motor Company, it still holds the distinction as the most-produced American military aircraft

The European-African-Middle Eastern Campaign Medal (EAME) was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

Bronze service stars were awarded to all services for participation in designated campaigns

The Distinguished Flying Cross is a military decoration awarded to any officer or enlisted member of the United States Armed Forces who distinguishes himself or herself in support of operations by "heroism or extraordinary achievement" while participating in an aerial flight, subsequent to November 11, 1918

An oak leaf cluster is a miniature metal device worn by members of the uniformed services of the United States on medals and ribbons issued by the United States Army, Air Force, and Department of Defense to denote subsequent decorations and awards / It is bronze or silver in appearance, formed as a twig of four oak leaves with three acorns on the stem / The bronze oak leaf cluster represents one additional award, while the silver oak leaf cluster is worn in lieu of five bronze oak leaf clusters

An aviator badge is an insignia used to designate those who have received training and qualification in military aviation / Also known as a Pilot's Badge, or Pilot Wings, the Aviator Badge was first conceived to recognize the training that military aviators receive, as well as provide a means to outwardly differentiate between military pilots and the "foot soldiers" of the regular ground forces

A Marksmanship Badge is a military badge of the United States Armed Forces presented to personnel upon

West Seneca Answers the Call to Arms Residents in World War II

Town of West Seneca, New York

successful completion of a weapons qualification course or high placement in an official marksmanship competition / The U.S. Military's Marksmanship Qualification Badges are awarded in three grades (highest to lowest): Expert, Sharpshooter, and Marksman

The Good Conduct Medal is one of the oldest military awards of the United States Armed Forces / The Navy Good Conduct Medal was established in 1869, the Marine Corps version in 1896, the Coast Guard version in 1923, the Army version in 1941, and the Air Force version in 1963 / The medal is awarded to any active-duty enlisted member of the United States military who completes three consecutive years of "honorable and faithful service" / Such service implies that a standard enlistment was completed without any non-judicial punishment, disciplinary infractions, or court martial offenses

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

Battle (Combat) Stars were presented to military personnel who were engaged in specific battles in combat under circumstances involving grave danger of death or serious bodily injury from enemy action

The Air Medal is awarded to anyone who, while serving in any capacity in or with the Armed Forces of the United States, and has distinguished themselves by meritorious achievement while participating in aerial flight / Subsequent awards are annotated with the traditional oak leaf clusters

The American Campaign Medal/Ribbon (also known as the (ATO) American Theater of Operations Ribbon) was a military award of the United States Armed Forces which was first created on November 6, 1942 by President Franklin D. Roosevelt / The ribbon was intended to recognize those military service members who had performed military duty in the American Theater of Operations during World War II / The requirements for the American Campaign Ribbon were for service within the American Theater between 7 December 1941 and 2 March 1946 / The American Campaign Medal was issued as a service ribbon only for the entirety of the Second World War, and was only made a full-sized medal in 1947

A Marksmanship Badge is a military badge of the United States Armed Forces presented to personnel upon successful completion of a weapons qualification course or high placement in an official marksmanship competition / The U.S. Military's Marksmanship Qualification Badges are awarded in three grades (highest to lowest): Expert, Sharpshooter, and Marksman

The M1 carbine was a lightweight, easy to use .30 carbine semi-automatic carbine that was a standard firearm for the U.S. military during World War II / The M1 carbine gained generally high praise for its small size, light weight and firepower, especially by those troops who were unable to use a full-size rifle as their primary weapon / A total of over 6.1 million M1 carbines of various models was manufactured, making it the most produced small arm for the American military during World War II

The Good Conduct Medal is one of the oldest military awards of the United States Armed Forces / The Navy Good Conduct Medal was established in 1869, the Marine Corps version in 1896, the Coast Guard version in 1923, the Army version in 1941, and the Air Force version in 1963 / The medal is awarded to any active-duty enlisted member of the United States military who completes three consecutive years of "honorable and faithful service" / Such service implies that a standard enlistment was completed without any non-judicial punishment, disciplinary infractions, or court martial offenses

Base Assignments:

Camp Livingston, Louisiana - Located on the Rapides Parish and Grant Parish line in north Louisiana, north of Pineville, Louisiana, the camp was open from 1940 to 1945 and was first known as Camp Tioga. It was renamed Camp Livingston in honor of Chancellor Robert R. Livingston, negotiator of the Louisiana Purchase / During World War II, thousands of Japanese, German and Italian prisoners of war were kept in internment camps at Camp Livingston and Camp Claiborne. In 1942, the first Japanese POW of the war, Kazuo Sakamaki arrived at Camp Livingston / Sakamaki was the only surviving crewman of a mini-submarine used in the attack on Pearl Harbor

Miscellaneous:

A tank destroyer is a type of armored fighting vehicle armed with a gun or missile launcher, and is designed specifically to engage enemy armored vehicles / Tanks are generally armored fighting vehicles designed for front-line combat which combines operational mobility and tactical offensive and defensive capabilities and perform all primary tasks of the armored troops on the battlefield; whereas the tank destroyer is specifically designed for taking on and destroying enemy armor

The Good Conduct Medal is one of the oldest military awards of the United States Armed Forces / The Navy Good Conduct Medal was established in 1869, the Marine Corps version in 1896, the Coast Guard version in 1923, the Army version in 1941, and the Air Force version in 1963 / The medal is awarded to any active-duty enlisted member of the United States military who completes three consecutive years of "honorable and faithful service" / Such service implies that a standard enlistment was completed without any non-judicial punishment, disciplinary infractions, or court martial offenses

Private First-Class Joseph J. McClure was inducted into the Army on 28 March 1943 and trained at Fort Custer, Michigan / McClure later was stationed at Fort Polk, Louisiana before heading to Europe / In May 1944, Private McClure's unit transferred German Prisoners of War to Georgia

Base Assignments:

Fort Custer, Michigan - Camp Custer was built in 1917 for military training during World War I / Named after Civil War cavalry officer General George Armstrong Custer / More than 300,000 troops trained there, including the 5th Infantry Division (also known as the "Red Diamond Division") which was sent to Iceland in 1942 to protect the North Atlantic convoy routes, and in 1944 landed in France shortly after D-Day

Fort Polk, Louisiana - Fort Polk was located approximately ten miles east of Leesville, Louisiana and was named in honor of the Right Reverend Leonidas Polk, the first Episcopal Bishop of the Diocese of Louisiana, and a distinguished Confederate general in the American Civil War / While primarily a training facility, Camp Polk also served as a military prison for Germans captured during World War II / The first prisoners of war (POWs), who began arriving in Louisiana in July 1943, were from the Afrika Korps, Field Marshal Erwin Rommel's troops who fought in North Africa

Miscellaneous:

The Military Police provides expertise in police, detainment and stability operations in order to enhance security and enable mobility / In World War II, Military Police soldiers moved traffic along the Burma Road, supported amphibious operations on Normandy beachheads, and managed enemy prisoners of war from Italy to the South Pacific

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was

West Seneca Answers the Call to Arms Residents in World War II

The 463rd Bombardment Group (H) was activated on 1 August 1943 and was one of the last two B-17 units to go into training for overseas service in the European Theatre of Operations / The 463rd Bomber group entered combat on 30 March 1944 with the bombing of the airdrome at Imoski, Yugoslavia. Thirty-nine planes dropped 117 tons of bombs / The group flew a total of 156 missions in 1944 primarily against targets in Italy, Germany, Austria, Romania, Yugoslavia and Greece / During mid-1944, the 463rd Group aircraft attacked lines of communication in the campaign to liberate Rome / The Bomber Group participated in the invasion of southern France in August 1944 by striking many targets, including bridges and gun positions / In March 1945, thirty-one planes from the 463rd Bombardment Group, flew the longest (1,800 miles roundtrip) escorted heavy bombardment mission in the history of the European Theatre of Operations with a raid on the Daimler-Benz tank works in Berlin / The Bombardment group flew 6,966 sorties, dropped 16,868 tons of bombs, destroyed 80 enemy aircraft, while losing 106 planes in combat missions / The 463rd Bombardment Group were awarded two Presidential Unit Citations

A bombardment group or bomb group was a group of bomber aircraft the United States Army Air Forces (USAAF) during World War II. It was the equivalent of an infantry regiment in the Army Ground Forces / A bombardment group was the key tactical control and administrative organization for bombers in all theaters of operation / U.S. bomb groups were numbered and classified into four types: Very Heavy (VH), Heavy (H), Medium (M), and Light (L) / Groups which combined bombers of differing categories into a single administrative organization were designated "Composite" groups

West Seneca Answers the Call to Arms Residents in World War II

Town of West Seneca, New York

Bomber aircraft assigned to the "Heavy" Bombardment group consisted of the B-17 Flying Fortress and B-24 Liberator aircraft

The Boeing B-17 Flying Fortress was a four-engine heavy bomber aircraft primarily used in the daylight precision strategic bombing campaign of World War II against German industrial and military targets / During World War II, the B-17s dropped 640,036 tons of bombs on European targets

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

Liberty ships carried 75% of the cargo used by our armed forces in World War II / The Liberty ships, a vast new fleet for the war effort, were built in a national "Virtual Shipyard" that harnessed skills, resources, and facilities all across America. From 1941 to 1945, the United States increased its shipbuilding capacity by more than 1,200% and produced over 2,700 Liberty Ships, 800 Victory Vessels, 320 T-2 Tankers, and various other commercial and naval auxiliary vessels for a total of 5,200 ships constructed for the period / A Liberty ship was designed to carry about 10,000 tons of cargo, but in wartime conditions often carried much more. Liberty ships were nicknamed "ugly ducklings" by President Franklin Delano Roosevelt

In time of war or national emergency, the U.S. Merchant Marine becomes vital to national security as a "fourth arm of defense" / Merchant ships bore the brunt of delivering military troops, supplies and equipment overseas to our forces and allies operating as an auxiliary unit to the Navy

Electrician's Mate Third-Class James L. McKellar was stationed in Oran, Algeria and Palermo, Sicily

Base Assignments:

Sampson, New York - In the three-and-a-half years of its operation during World War II, the Sampson Naval Training Station trained 411,429 naval recruits before closing in 1946 / The camp was named in honor of a local Seneca County native, Rear Admiral William T. Sampson, from Palmyra, New York, a hero of the Battle of Santiago during the Spanish-American War

Iowa State College - Ames, Iowa - The V-12 Navy College Training Program was designed to supplement the force of commissioned officers in the United States Navy during World War II. Between July 1, 1943, and June 30, 1946, more than 125,000 men were enrolled in the V-12 program in 131 colleges and universities in the United States

Camp Bradford - Norfolk, Virginia - Initially Camp Bradford was a training base for Navy Seabees, but in 1943 it was changed into a training center for the crews of LSTs (Landing Ship Tank) / The camp also provided amphibious assault training for landing large numbers of American troops on foreign shores

Brooklyn, New York - During World War II, the Brooklyn Navy Yard played a pivotal role in the American war effort – it built battleships and aircraft carriers, repaired over 5,000 ships, sent troops and supplies to fronts across the globe

Philadelphia Naval yard - Philadelphia, Pennsylvania - The naval yard developed and produced new materials, instruments of communication, electronic tracking, and weaponry / The yard had a naval air field where workers produced aircraft and participated in the development of the first atomic bomb

Technical Sergeant Vincent J. Menichelli earned 7 Battle Stars for participating in combat operations in Nadzab (New Guinea), Lingayen (Luzon), Bolo Point (Okinawa), Morotai (Netherlands East Indies), Fukuoka (Japan) and Kyushu (third largest island of Japan's five main islands)

Base Assignments:

Sioux Falls, South Dakota - During World War II, the United States Army Air Forces (USAAF) established numerous airfields in South Dakota for training pilots and aircrews of USAAF fighters and bombers

Nadzab, New Guinea - Nadzab is in the Markham Valley, Morobe Province, Papua New Guinea on the Highlands Highway and was the site of the only Allied paratrooper assault in New Guinea on 5 September 1943 / Construction of the Nadzab airfield began within hours of routing the Imperial Japanese forces / In early 1944, the airfield housed bombers, fighters, and various other types of combat and support aircraft / By late 1944, combat had moved away from Nadzab, but it remained vital nevertheless, now in the form of a large training and aircraft repair and salvage facility / After the war in 1945, Nadzab Airfield was turned over to the local administration; it would remain a military airfield

Bolo Point Airfield, Okinawa - Located on the East China Sea Coast, the Bolo Point airfield was originally built by the Japanese on what used to be Uzza neighborhood of Yutanza village / It was seized by the United States during the Battle of Okinawa in April 1945 / It was allocated to Eighth Air Force in July 1945 to station B-29 Superfortress bombers to fly strategic bombing missions in the planned Invasion of Japan / The airfield was never used for combat operations due to the surrender of Imperial Japan on 2 September 1945 / It was used by

West Seneca Answers the Call to Arms Residents in World War II

Town of West Seneca, New York

the Fifth Air Force 7th and 8th Combat Cargo Squadrons (2d Combat Cargo Group) from 20 August 1945 until 5 January 1946 flying C-47 Skytrain aircraft After the war, the facility was closed and used as a surplus storage depot for equipment left on Okinawa / The airfield was inactivated after 1946 and returned to Japanese control in 1972

Lingayen, Luzon

Miscellaneous:

During World War II, the Lingayen Gulf proved a strategically important theater of war between American and Japanese forces / On 22 December 1941, the Japanese 14th Army landed and defeated the poorly equipped contingent of predominantly American and Filipino troops / Beginning on 6 January 1945, a heavy naval and air bombardment of suspected Japanese defenses on Lingayen began / At 09:30 on 9 January 1945, about 68,000 GIs under General Walter Krueger of the U.S. 6th Army, following a devastating naval bombardment, landed at the coast of Lingayen Gulf meeting no opposition / A total of 203,608 soldiers were eventually landed over the next few days / Within a few days, the assault forces had quickly captured the coastal towns and secured the 20-mile-long beachhead, as well as penetrating up to five miles inland / Following the landings, the Lingayen Gulf was turned into a vast supply depot for the rest of the war to support the Battle of Luzon

The Japanese city of Fukuoka was attacked by United States Army Air Forces Boeing B-29 Superfortress heavy bombers on 19 June 1945 / This operation formed part of the Allied Air raids on Japan, and destroyed 21.5 percent of the city. B-29s also dropped naval mines near Fukuoka harbor on seven occasions between May and July 1945, and the city was attacked twice by American fighter aircraft

The Asiatic-Pacific Campaign Ribbon (Medal) was a military awarded to any member of the United States Military who served in the Pacific Theater from 1941 to 1945

Battle (Combat) Stars were presented to military personnel who were engaged in specific battles in combat under circumstances involving grave danger of death or serious bodily injury from enemy action

The Air Medal is awarded to anyone who, while serving in any capacity in or with the Armed Forces of the United States, and has distinguished themselves by meritorious achievement while participating in aerial flight

The American Campaign Medal/Ribbon (also known as the (ATO) American Theater of Operations Ribbon) was a military award of the United States Armed Forces which was first created on November 6, 1942 by President Franklin D. Roosevelt / The ribbon was intended to recognize those military service members who had performed military duty in the American Theater of Operations during World War II / The requirements for the American Campaign Ribbon were for service within the American Theater between 7 December 1941 and 2 March 1946 / The American Campaign Medal was issued as a service ribbon only for the entirety of the Second World War, and was only made a full-sized medal in 1947

The World War II Victory Medal was first issued as a service ribbon referred to as the "Victory Ribbon" / By 1946, a full medal had been established which was referred to as the World War II Victory Medal / The medal commemorates military service during World War II and is awarded to any member of the United States military, including members of the armed forces of the Government of the Philippine Islands, who served on active duty,

Technical Sergeant Charles C. Meutsch earned 2 Battle Stars for combat action in Saipan (Northern Mariana Islands) and Morotai (Netherlands East Indies)

Base Assignments:

Miscellaneous:

The Army Airways Communication System (AACS) played an important part in the war effort / The AACS built "Highways In The Sky" that provided routes for aircraft to follow / These highways consisted of radio beacons that gave aircraft a course to follow over their route / The highways, both stateside and overseas, were a tremendous help for aircraft to get from point to point and also aided bombers to find their way home after missions / The AACS also provided Air Traffic Control Towers, Ground Controlled Approaches, Direction Finding and Long Range Air Navigation Stations

The Battle of Saipan was a conflict that occurred in the Pacific Theater on the 15th of June, 1944 / It was crucial for the United States Military to have an airfield on the island Saipan because it was close enough for B-29 Superfortresses to launch attacks against Japan / By the end of the month long battle, approximately 3,000 marines were killed, another 13,000 wounded or MIA, and approximately 29,000 Japanese troops had been killed

The Battle of Morotai, part of the Pacific War, began on September 15, 1944, and continued until the war ended in August 1945 / The fighting began when United States and Australian forces landed on the south-west corner of Morotai, a small island in the Netherlands East Indies (NEI), which the Allies needed as a base to support the liberation of the Philippines later that year / The American invading forces greatly outnumbered the island's Japanese defenders and secured their objectives in two weeks / Japanese reinforcements landed on the island

West Seneca Answers the Call to Arms

EUROPEAN THEATER / PACIFIC THEATER

Service Notes:

Corporal Theodore O. Meyer was attached to the 106th Field Artillery Regiment / He made First Sergeant and served in the Pacific Theater until 1943 / He was commissioned as a Second Lieutenant at the Tank Destroyer Officer Candidate School at Camp Hood, Texas / In March 1944, Lieutenant Meyer graduated from the Military Intelligence Training Center, Camp Ritchie, Maryland and was sent to Germany, where he served with the First Army / In the spring of 1944, Meyer was promoted to Captain and was named supervisor of the captured Moosburg concentration camp in Germany, where 7,000 Nazis were held prisoner / Captain Meyer, the only American stationed at the camp, rescued a cameraman when he was attacked by a group of prisoners in the camp

Base Assignments:

Fort Hood (Killeen, Texas) - The fort is named after Confederate General John Bell Hood / Its origin was the need for wide-open space to test and train with World War II tank destroyers / During the war years, North Fort Hood housed nearly 40,000 troops and 4,000 prisoners of war

Camp Ritchie, Maryland - During World War II, Fort Ritchie became the U.S. Army Military Intelligence Training Center, the first time in the history of the U.S. military that it had a facility for this type of centralized intelligence training / The Army found the site appealing for intelligence training because of its proximity to Washington, DC, its remote location, and because the physical features of the camp and surrounding terrain were conducive to training / The Army conducted signal intelligence training, instruction regarding interrogation techniques and close-combat training (in a mock German village constructed at the site) throughout the war / More than 10,000 students graduated from the Army's intelligence program at Fort Ritchie by the end of the war

Miscellaneous:

Theodore O. Meyer was born in Hanover, Germany and was immigrated to the United States when he was 3 years old / Meyer left Seneca Vocational High School in 1942 to enlist in the Army

West Seneca Answers the Call to Arms

Residents in World War II

Town of West Seneca, New York

A West Seneca native, Lieutenant Arthur Schuessler, was held as a Prisoner-of-War by the Germans at the Moosburg camp / Once the camp was liberated by the American forces and under control of Major Theodore Meyer, Lieutenant Schuessler was able to be shipped home

Shortly after the beginning of World War II in September 1939, a POW camp called Kriegsgefangenen-Mannschafts-Stammlager (Stalag) VII A was established north of Moosburg / Originally it was planned for 10,000 prisoners, but at the end of the war some 80,000 Allied soldiers were detained in the main camp and its labor camps

In 1945 US troops occupied Moosburg and liberated the POWs / Until 1948 the camp served as Civilian Internment Camp No. 6 with up to 12,000 German prisoners who were accused of having supported the Nazi dictatorship

The Field Artillery is the branch of the army whose mission is to support the infantry by artillery fire, destroying, neutralizing or suppressing the enemy elements that threaten land forces / Increased mobility; fire direction centers, which enhanced their firepower; aerial observation; and radio communications increased the efficiency and accuracy to support ground forces

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War

The Asiatic-Pacific Campaign Ribbon (Medal) was a military awarded to any member of the United States Military who served in the Pacific Theater from 1941 to 1945

Service Notes:

Sergeant Carl E. Mikesell entered the service on 27 December 1942 / Sergeant Mikesell, while briefly stationed in Hawaii, was a member of the guard of honor for President Franklin Roosevelt during the president's visit to Hawaii in 1944

In July 1943, Sergeant Mikesell was part of the military initiative to recapture the Pacific islands from the Japanese / Mikesell was a veteran of four Pacific combat campaigns: Attu, Kwajalein, Leyte and Okinawa / Sergeant Carl Mikesell was wounded in action twice, in the battles of Kwajalein and Ormac, earning the Purple Heart Medal / Sgt Mikesell was awarded the Bronze Star twice for meritorious service in combat

On 2 May 1945, Sergeant Carl Edwin Mikesell was Killed in Action during the battle for Okinawa

Sergeant Carl Edwin Mikesell is buried in Woodlawn Cemetery (Orchard Park, New York)

Base Assignments:

Miscellaneous:

Carl E. Mikesell was a former student of South Park High School and worked for the Buffalo Tank Corporation before entering the military

The Battle of Okinawa was fought on the Ryukyu Islands of Okinawa and was the largest amphibious assault in the Pacific War of World War II / The 82-day-long battle lasted from early April until mid-June 1945 / Four divisions of the U.S. 10th Army (the 7th, 27th, 77th, and 96th) and two Marine Divisions (the 1st and 6th) fought on the island / Their invasion was supported by naval, amphibious, and tactical air forces / The battle resulted in

West Seneca Answers the Call to Arms

Residents in World War II

Town of West Seneca, New York

the highest number of casualties in the Pacific Theater during World War II / Based on Okinawa government sources, Japanese forces lost 77,166 soldiers, who were either killed or committed suicide, and the Allies suffered 14,009 deaths (with an estimated total of more than 65,000 casualties of all kinds)

The Asiatic-Pacific Campaign Ribbon (Medal) was a military awarded to any member of the United States Military who served in the Pacific Theater from 1941 to 1945

The Bronze Star Medal is the fourth-highest individual military award and the ninth-highest by order of precedence in the US Military / It may be awarded for acts of heroism, acts of merit, or meritorious service in a combat zone

The Purple Heart was instituted in 1782 by George Washington and is the first and oldest military American decoration / The Purple Heart is awarded to military service members wounded or killed in action, in the latter case posthumously

An oak leaf cluster is a miniature metal device worn by members of the uniformed services of the United States on medals and ribbons issued by the United States Army, Air Force, and Department of Defense to denote subsequent decorations and awards / It is bronze or silver in appearance, formed as a twig of four oak leaves with three acorns on the stem / The bronze oak leaf cluster represents one additional award

The Combat Infantryman Badge is awarded to infantrymen and Special Forces Soldiers in the rank of Colonel and below, who personally fought in active ground combat while assigned as members of an infantry, Ranger or Special Forces unit, of brigade size or smaller, any time after 6 December 1941

The Good Conduct Medal is one of the oldest military awards of the United States Armed Forces / The Navy Good Conduct Medal was established in 1869, the Marine Corps version in 1896, the Coast Guard version in 1923, the Army version in 1941, and the Air Force version in 1963 / The medal is awarded to any active-duty enlisted member of the United States military who completes three consecutive years of "honorable and faithful service" / Such service implies that a standard enlistment was completed without any non-judicial punishment, disciplinary infractions, or court martial offenses

Base Assignments:

Sampson, New York - In the three-and-a-half years of its operation during World War II, the Sampson Naval Training Station trained 411,429 naval recruits before closing in 1946 / The camp was named in honor of a local Seneca County native, Rear Admiral William T. Sampson, from Palmyra, New York, a hero of the Battle of Santiago during the Spanish-American War

Naval Amphibious Base (Little Creek, Virginia)- The Amphibious Training Base was the center for all types of amphibious training and the training of ship's crews for LSM (landing ship medium), LCI (landing craft infantry), and LCU (landing craft utility); LCM (landing craft mechanized), and LCVP (landing craft vehicle, personnel) boat crews were trained at Little Creek / During World War II over 200,000 Naval personnel and 160,000 Army and Marine Corps personnel trained at Little Creek / The Naval Amphibious Base, Little Creek is the largest base of its kind in the world

Fort Pierce, Florida - This base became the school for some of the most elite teams in the armed forces, such as the scouts and raiders "commandos" and the home of the Navy Underwater Demolition Teams (UDT) and Sea, Air, Land (SEAL) teams, which became the legendary "frogmen"

Lido Beach (Long Island, New York) - Naval Training Center and Naval Personnel Redistribution Center

Dartmouth College (Hanover, New Hampshire) - The U.S. Navy developed a way to combine college education with military service: the Naval Indoctrination Training School and the V-12 Naval Training Program. Dartmouth

West Seneca Answers the Call to Arms

Residents in World War II

Town of West Seneca, New York

became host to the largest of the Navy's V-12 units / On July 1, 1943, some 2,000 enlisted men and an officer staff were enrolled at the College / Dartmouth operated like a naval base during World War II

Miscellaneous:

Seamen served as members of damage control or emergency and security alert teams / They participated in Navy ceremonies and took part in underway replenishment (transferring supplies from ship to ship at sea), and they worked with qualified personnel to gain job training and experience / A Seaman was knowledgeable in naval drill duties, knots, steering and signaling / Also stood watch and handled gunnery duties

During World War II, LST-46 was assigned to the European theater and participated in the Normandy invasion from 6 June 1944 to 25 June 1944 and the invasion of southern France in August and September 1944 / LST-46 was later transferred to the Asiatic-Pacific theater where she took part in the Okinawa assault in June 1945 / LST-46 earned three battle stars for World War II / Commissioned on 3 November 1943 and decommissioned on 6 June 1946

Landing Ship, Tank (LST) is the military designation for naval vessels created during World War II to support amphibious operations by carrying significant quantities of vehicles, cargo, and landing troops directly onto an unimproved shore / From their combat debut in the Solomon Islands in June 1943 until the end of the hostilities in August 1945, the LSTs performed a vital service in World War II. They participated in the invasions of Sicily (Operation Husky), Italy, Normandy, and southern France in the European Theater and were an essential element in the island-hopping campaigns in the Pacific that culminated in the liberation of the Philippines and the capture of Iwo Jima and Okinawa

The European-African-Middle Eastern (EAME) Campaign Medal was a military award of the United States Armed Forces which was first created on 6 November 1942 by President Franklin D. Roosevelt / The medal was intended to recognize those military service members who had performed military duty in the European Theater (to include North Africa and the Middle East) and was awarded for any service performed between 7 December 1941 and 2 March 1946 / The European-African-Middle Eastern Campaign Medal was awarded as a service ribbon throughout the entire Second World War / Bronze service stars were awarded to all services for participation in designated campaigns

The Asiatic-Pacific Campaign Ribbon (Medal) was a military awarded to any member of the United States Military who served in the Pacific Theater from 1941 to 1945 / Bronze service stars were awarded to all services for participation in designated campaigns

The American Campaign Medal/Ribbon (also known as the (ATO) American Theater of Operations Ribbon) was a military award of the United States Armed Forces which was first created on November 6, 1942 by President Franklin D. Roosevelt / The ribbon was intended to recognize those military service members who had performed military duty in the American Theater of Operations during World War II / The requirements for the American Campaign Ribbon were for service within the American Theater between 7 December 1941 and 2 March 1946 / The American Campaign Medal was issued as a service ribbon only for the entirety of the Second World War, and was only made a full-sized medal in 1947

The Philippine Liberation Medal was a military award of the Republic of the Philippines presented to any service

West Seneca Answers the Call to Arms Residents in World War II

Town of West Seneca, New York

member, of both Philippine Commonwealth and allied militaries, who participated in the liberation of the Philippine Islands between the dates of 17 October 1944 and 2 September 1945 / The Philippine Liberation Medal is intended to recognize military service in the last days of World War II when the military of Japan was driven from the Philippines and then to eventually surrender in September 1945 / To be awarded the medal, a service member must have served in the Philippines for at least thirty days during the eligible time period
